Dashboard QA Handbook

Live URL: <https://metrikmediaindonesia.beres.io/dashboard>

Captured: 2026-08-30 | Evidence pages: 41

Scope: administrator authentication, dashboard navigation, route rendering, account dropdown, logout, and representative record pages.

QA summary

The live administrator flow was authenticated with the supplied QA account. Dashboard navigation stayed on the requested URL for the primary route sweep. The account menu opened and logout returned the browser to the public homepage.

Area	Result	Notes
Authentication	PASS	Login and dashboard authorization succeeded.
Navigation	PASS	Primary dashboard and creation routes resolved.
Account menu	PASS	Profil Saya and Keluar were visible.
Logout	PASS	Session ended and homepage loaded.
Invalid records	FIXED	Business publication 404s now redirect to the list in source; verify after deployment.
Console	FIXED	Duplicate TipTap link and underline extensions removed in source; verify after deployment.

Handbook use

For each evidence page, open the listed route, verify the expected page purpose, and confirm that loading, empty, error, success, and permission states are appropriate for the test data. Do not use production content mutations without a controlled test record.

The screenshot displays the 'Edit Tag' interface within the 'METRIK MEDIA INDONESIA' dashboard. The top navigation bar includes the site logo, the title 'SISTEM MANAJEMEN BERITA - PANEL REDAKSI', a link to 'KUNJUNGI SITUS', a notification bell, and the user profile 'Admin PANEL ADMIN'. The left sidebar menu is categorized into 'MAIN' (Dashboard, Analytics), 'EDITORIAL & KONTEN' (Editorial Workflow Board, Artikel, User Submissions, Topik Berita, Wilayah & Lokasi, Entitas (Relationship), Kategori), and 'Tags' (selected). Below the sidebar, there are links for 'Kembali ke Situs' and the user's name 'Admin Metrik Media'. The main content area is titled 'Edit Tag' with a subtitle 'Perbarui informasi nama dan slug URL tag artikel'. It contains a form with two input fields: 'NAMA TAG' with the value 'Olahraga' and 'SLUG TAG' with the value 'olahraga'. At the bottom right of the form, there are two buttons: 'Batal' (Cancel) and 'UPDATE TAG'.
